## J6 Ltd

# Quality Policy

"We recognise the importance of customer satisfaction to our future growth, development and prosperity.

We will advise and provide our customers with best value solutions to enhance and improve their profitability and to ensure we remain their preferred supplier.

We will closely work with our suppliers to provide our customers with the required quality and service without compromising their future operation.

We will conduct our business with honesty, integrity and respect."

.....

Mr Elie Jankelewitz  
Chief Executive

*Turning cost into profit*
